111 YEARS OLD.

Subscription price, 12c a week; 50c a south; \$6.00 a year. Entered at the Postoffice at Norwich, onn., as second-class matter.

Telephone Calla: ulletin Business Office, 480, ulletin Editorial Raoms, 25-3, ulletin Job Office, 55-4.

Villimantic Office, Room 2. Mu Building. Telephone, 210. Norwich, Saturday, Aug. 28, 1909.

### The Circulation of The Bulletin.

The Bulletin has the largest cir culation of any paper in Eastern Connecticut, and from three to four imes larger than that of any in Norwich. It is delivered to over 3,000 of the 4,053 houses in Norwich, and read by ninety-three per cent. of the people. In Windham it is delivered to over 900 houses, n Putnam and Danielson to over 1,100, and in all of these places it is considered the local daily.

Eastern Connecticut has fortynine towns, one hundred and sixtyfive post office districts and fortyone rural free delivery routes. The Bulletin is sold in every town and on all of the R. F. D. routes in Eastern Connecticut.

THE FALL FAIR SEASON.

The opening of the fall fair season is the nectar of fresh flowers which were brought daily to her room. She used to feed them with a syrup made of the ectar of fresh flowers which were brought daily to her room. She used to feed them with a syrup made of the interests of public school accommodations for their children. An invalidation for these delicate in the whole season. She knew when they migrated and in late August them escape and go with the flocks to the tropics for the winter. She was familiar with their calls and the scholars had to go to Elizabeth or to South Orange to complete them fly about the room and feast upon the nectar of fresh flowers which were brought daily to her room. She used to feed them with a syrup made of the winters nor the summers are what they used to be. Quite likely this is so. Man does not live long are which were brought to find out about the climatic causes in this whirling world of ours. The world's career is in cycles of 40,000 their calls and the average age of man is school department to save expense, and the scholars had to go to Elizabeth or to South Orange to complete brought the room and feast upon the nectar of fresh flowers which were brought daily to her room. She used to feed them with a syrup made of the winters. Or he winters nor the summers are what they used to be. Quite likely this is so. Man does not live long are what they used to the winters. Or he winters are what they used to be. Quite likely this is so. Man does not live long to this is so. Man does not live long are what they used to the winters. The world's career is in cycles of 40,000 the long to the winters. She was familiar with their calls and the average age of man is about 40 years. Comparatively he is equal to 1 The opening of the fall fair season is only a week away and the New London County fair is this year among those that open the season. Since fair weather is usually foul weather, let tion, and only eighteen men had the temerity to vote against it. It was for honey. the women, by the way, who carried

A woman well along in years said its splendid new school building, and to me several years ago: "I'm told you're the man who talks, and I like to read your column, but I believe on wherever a similar question is raised the women favor the schools. If this some of those topics I can outtalk is an argument for woman suffrage, you!" The man who talks does not disclose his identity by saying "You the opponents of the policy will find it do me great honor, thank you," or nice little things like that. Flattery doesn't make him open any more than it does the oyster. I assured her I felt quite Agriculture takes the stride of peace. sure she was more than a match for the man who talks on some points-There is no 27-inch military pace that what woman's isn't? She seemed to feel quite pleased and to think that I was of this opinion, but what she really wished to know was if I was the Happy thought for today: The output of a town talks louder for it than man, and getting no averment that I was, she went away with a disappointed look. The man who talks was no There is no use of expecting an early ed look. The man who talks was no match for her—she could give him a curtain lecture that would make his sprits curdle and his hair wal. She knew her power, too. I have often thought of her face, and when I have, it rude me glad that all that she has to say for the good of her fellow men isn't said to me. When the ten biggest cities in New England are counted New Bedford !!

The person who is nourishing secret regrets should expel them by accitive reform. A regret is a poor thing to fool with long. A resolution to reform is the first step toward manhood, mastery and purity. Here is a confession by one who has regretted, resolved and overcome. When it comes to the penalties of greatness some of our state senators he There doesn't appear to be any real good reason why the poorest peaches in 1909 should be bringing the highest price.

Contession by one who has regretted, resolved and overcome: "I have been a cigarette amoker for years, but at last I have managed to overcome the habit, and the feeling that overspreads me—both in mind and body—cannot be described. There is no getting around it that cigarettes are invitous for it When a dozen airships get into the air at once they do not collide. How different from a dozen autos on a turnpike road.

It that eigarettes are injurious, for it stands to reason that when smoke is inhaled and drawn to the lungs the lungs will be weakened in time. I have made it a point to notice the users of eigarettes, and in all cases have found that the circumstance of the stands are injurious, for it stands to reason that when smoke is inhaled and drawn to the lungs the that the cigarette smoker is not as sound in body as people that do not use the cigarette. There is no doubt that almost every one that has ac-quired the cigarette habit regrets it. There is only one way to overcome the A Texas minister is sure that the meanness of men caused the last hot wave. Doesn't he know that usually gives out a chill.

There is only one way to overcome the habit, and that is to make up your mind to do so. The person that overcomes this habit will experience the finest feeling that he has ever had in life." This is a frank statement of one man's experiences, and it reads like a song of triumph, and that is what it

for so long that it never really seemed to be at Hartford.

The spider on the phiox is a picture of patience. He waits and watches for his prey with his calliper-like legs set like a trap making only one move necessary to accomplish his purpose. He is white and gray, and is pretty to those doesn't need to rest.

Those who have seen the new \$50 bill are giving the artist great praise; but most of us will not be able to say a commendatory word.

## THE BULLETIN'S DAILY STORY

some compensation for these pests in the stimulus they create to the inven-tion of devices wherewith to counterproportion as the foes of sound and healthy vegetable products increase men become more vigilant and resolute. They do not forget that they were told originally by the Creator that their business upon the earth is to replenish and subdue it.

A parallel may be drawn between these foes of veegtable life and the modern obstacles to spiritual growth.

## An experienced and successful farmer was bemoaning in my hearing recently the number of harmful bugs and
